

## CAPABILITY STATEMENT – TRAINING SERVICES

### About Sustainable Business Consulting:

Sustainable Business Consulting (SBC) was established in October 2009, in Sydney, NSW. We are a consultancy specialising in implementing sustainability for businesses and all levels of government, with extensive experience in:

- ◆ Energy efficiency and renewable energy strategy
- ◆ GHG emissions reduction and carbon neutrality
- ◆ Climate change risk and resilience
- ◆ Building capacity in energy/carbon/water/waste and facilitation

We are a preferred provider for the NSW and Federal Governments and are industry leaders in the development and delivery of energy, carbon and sustainability training. We are sought after speakers at conferences and management briefings, and facilitate workshops. Visit [www.sustainablebusinessconsulting.com.au](http://www.sustainablebusinessconsulting.com.au)
